UC Davis Sustainability and Student Housing & Dining Services wants to hear from you!

We are gearing up for a reusable utensil campaign (complete with utensil set giveaways) next year, and would like to gather some information from campus users on this topic. Whether or not you own or use reusable utensils while on the go, we'd love your feedback! It only takes a few minutes to fill out the reusable utensil survey. Respondents will also be entered into raffle drawings for prizes--multiple winners each week!

Slow the Flow, Save H20

Most of California, including Yolo County where UC Davis is located, is in an extreme drought. Every Aggie has an important role in helping save water. You can slow the flow by following these simple tips:

- Turn off the water when not directly in use. (i.e. while brushing your teeth, shaving, lathering hands, or washing dishes).
- Take efficient showers. Challenge yourself to take a two-song shower!
- Report leaks using Student Housing and Dining Service's online service reques

Learn more about what SHDS does to save water on our water webpage.

CAMPUS PROGRAMS AND ANNOUNCEMENTS

Unitrans Returning to Partial Academic Year Schedule for Fall Quarter

Starting September 22, 2021, ASUCD Unitrans will continue "summer" service levels on select lines with additional night service. In addition, due to an on-going student driver shortage, service on the A and L lines will be temporarily suspended. Pending approval, the Yolo County Transportation District, operator of Yolobus, would temporarily assume operations on the A and L lines. Services will be restored to regular academic year levels as staffing levels improve. The following service levels may last through the 2021-22 academic year:

- Suspension of the A and L lines by Unitrans
- Pickup on the D, G, J, W and V lines will remain at the summer service level of two times per hour.
- Pickup on the E, F, and Z lines will remain at the summer service level of one time per hour
- Pickup on the B, C, K, M, P, and Q lines will be two times per hour using the "regular" service schedule
- Additional service compared to summer service levels after 8:10 PM on Monday-Thursday will operate on the D, E, J, V, W, and Z lines
