April 18, 2013

Hello Orchard Park residents,

We are writing to provide you with an update regarding the closure of Orchard Park. Starting in January 2012, Student Housing communicated with current residents as well as all applicants and new leaseholders our plans to close Orchard Park in July 2014. While these apartments provide a comfortable and safe home for our students, they are over 40 years old and in need of replacement.

An email was sent out in November 2012 encouraging Orchard Park residents to take advantage of the vacancies we have in Solano in order to transfer to Solano Park. If you anticipate that you will require housing beyond July 31, 2014, we would like to encourage you to take advantage of the opportunity to transfer to a Solano Park apartment. We anticipate in 2013 and 2014, transferring into Solano Park will be more difficult. Please keep in mind that only particular units may be available. If you are looking for a particular location or specific apartment, it may be some time before we are able to fill specific requests. Those residents wishing to transfer from Orchard Park to Solano Park will have priority over all other waitlists.

To request to transfer, you must turn in a transfer form to the Student Housing office. You can find the transfer form (hyperlink: http://www.housing.ucdavis.edu/__pdf/form_ParkTransfer.pdf) on the Student Housing Website under the “Publications and Forms” section.

Sincerely,

Student Housing
