

**QUIET COMMUNITY LIVING AGREEMENT  
UC DAVIS STUDENT HOUSING**

The Quiet Community is designed for those students who prefer a quiet environment in the residence halls. The Quiet Community is not a noise-free community and it is part of a larger building community. In the Quiet Community, Quiet Hours (designated hours when noise cannot be disruptive) are extended to facilitate studying and sleeping with the least amount of distraction.

This program requires that all members of the community sign a Community Living Agreement as an addendum to Student Housing contract and abide by the conditions below. Failure to do so may result in relocation to a different residence hall room not in the Quiet Community or removal from Student Housing.

---

As conditions of my residency in the Quiet Community, I understand and agree to abide by the following conditions:

- I understand that the extended Quiet Hours for the community must be honored by all residents living in the community. Extended Quiet Hours begin at 7pm and continue until 7am the following morning. This cycle begins on Sunday evening and runs through Friday morning. On Friday and Saturday, Quiet Hours are in effect from 1am to 7am.
- I understand that noise that is disruptive to others in the community (e.g. loud talking, slamming doors, laughter, yelling in the hallway, etc.) may violate the noise policy as outlined in the *Guide to Residence Hall Life*.
- I understand that residents and staff share joint responsibility within the community for complying with and enforcing the expectations of this agreement.
- I understand that changes to the extended Quiet Hours, although discouraged, may occur no sooner than the first of winter quarter. Quiet Hours can only be modified with agreement of all residents in the community. Vote shall be in the form of a written secret ballot and the process will be coordinated by an Area Coordinator.
- I understand that any guests I invite to the community must comply with the conditions of this agreement. I also understand that I can be held responsible for the actions of my guests should they be disruptive or violate the conditions of living in the community.
- I understand that under the terms of the contract I signed with Student Housing, I may be relocated from the Quiet Community to a different residence hall community if I fail to abide by Student Housing policy and the conditions outlined in this agreement.
