

**WELLNESS COMMUNITY LIVING AGREEMENT
UC DAVIS STUDENT HOUSING**

The Wellness Community is designed to provide students with a living situation that promotes healthy lifestyles. Specifically, the goal of the community is:

To provide education and awareness on all aspects of healthy living, including physical, emotional, cultural, spiritual, occupational, and intellectual wellness.

This program requires that all members of the community sign this Community Living Agreement and abide by the conditions stated.

As a condition of my residency in the Wellness Community, I agree to the following:

- I understand the community is an educational and developmental program for the residence halls, which emphasizes a healthy lifestyle and personal development and will be supplemented with additional activities to promote a wellness philosophy.
- I am aware that I am responsible for making sure that my guests adhere to the stated policies of the living agreement as described.
- I understand that residents and staff will share joint responsibility for adherence to and enforcement of the policies, which govern the Wellness Community. Persons choosing to violate these standards may be asked to relocate to another residence hall.
- I understand that Student Housing reserves the right, under Section 6g of the Conditions of Contract, to transfer a student from the Wellness program to a conventional residence hall space for repeated and/or deliberate non-compliance with the guidelines. In addition, non-complying residents may face other University and/or Student Housing sanctions.
