Hi, you're receiving this email because you have a 2015-2016 UC Davis Student Housing Residence Hall contract. Don't forget to add reachingtheresidents@ucdavis.edu to your address book so we'll be sure to land in your inbox.

Meet the Student Housing Coordinators

Assigned to each housing area are academic, leadership and conduct coordinators (see below for full descriptions on each coordinator position). The coordinators are here to provide you with academic support, leadership advising, policy guidance, and conflict resolution assistance.

The coordinators plan both academic and social programs that will help you with your transition to UC Davis. A great way to get involved with your community is to participate in programs organized by the coordinators.

In addition to their various roles the coordinators also oversee the student staff, including RAs and SRAs.

### What is an Academic, Leadership and Conduct Coordinator?

#### Academic Coordinators

Academic Coordinators oversee the Academic Advising Center, create and facilitate programs to advocate academic growth and support, and offer one-on-one advising with regard to classes, coursework, and planning.

#### Leadership Coordinators

Leadership Coordinators plan and facilitate programming in the residence halls which nurture healthy communities according to UC Davis’ The Principles of Community, including education and support for diversity, freedom of expression, and individuality, and which rejects discrimination and hatred.

#### Conduct Coordinators

Conduct Coordinators create programs, offer advising, and meet one-on-one with residents to offer guidance regarding residence hall policies. They help residents navigate the various challenges residents face when integrating into a large, diverse community, intervening in challenging situations, and assisting with conflict resolution in the community.
