Moving into the residence halls is an exciting time for both students and Student Housing! To help make the move-in process go smoothly we ask that you please read with detail all information sent to you.

For an example of what your housing assignment will look like please see the image and descriptions below.

**Residence Hall Room Transfers**

If you are interested in transferring out of your assigned room to another location you will need to complete the [Online Room Transfer Request Form](http://example.com) on your Housing Assignment page. If you and your roommate wish to move together both of you must submit separate requests.

Requests will be processed before September 1, 2015 if space is available. If your request is not processed before move-in, you must submit a new request to transfer during the academic year.

My Move-in Date, found on the upper right-hand corner, will inform you of your assigned move-in day. Move-in is September 19-20, 2015. Halls open at 8 a.m. each day. If you cannot move-in on your assigned date please contact Student Housing at studenthousing@ucdavis.edu.

Your room assignment will be listed next to Housing Address. The first line of the Housing Address is your assigned room. The second line of the Housing Address is your mailing address.

Occupancy will tell you if you are in a single, double or triple occupancy room.

Configuration will tell you if your room is a standard, suite or quad layout.

The Program section will tell you if your assigned floor is home to one of Student Housing Shared Interest Communities. If your assigned floor has a program and you did not request to be part of the community you will not be required to participate in the programming and in some cases only a portion of the floor/building is part of the program.

Bed Size will confirm your bed length so you can ensure you sheets fit properly. Most beds provided by Student Housing are extra-long twin.

The Meal Plan section will display your current meal plan choice. You will have until September 20, 2015 to make changes to your fall quarter meal plan selection.

Under Occupants you will find the contact information (first/last name, email and phone number) of your roommate(s). If you are assigned the Cuarto residence hall area the contact information of your roommate as well as your suite mates will be provided. We recommend you get in touch with your roommate(s) to coordinate who will bring specific shared items for your room.
