New Resident Assistants

Meet Merissa!
Hi Solano Park Residents! My name is Merissa and I will be one of the new RAs this coming year. I'm an Alexander Technique teacher, actor and dancer who likes to bake and knit and travel and meet new people. I'm looking forward to meeting everyone and helping out in the community.

Meet Yolanda!
Hi, Solano Park Community! My name is Yolanda Franklin and I am excited to be one of your new Resident Assistants. To share a little bit about myself, I am a native of Detroit, Michigan and a single-parent of five. I enjoy vegan food and wearing my hair in natural hairstyles. I consider myself a goal-oriented person and commit to things I believe in. My previous experience includes participation in the AmeriCorps VISTA peace corps, volunteer veterinary service in Costa Rica through VIDA, UCD MANRRS chapter / PSSD club officer positions, UCD internships, and undergraduate research at UC Davis. My accomplishments have reinforced my desire to make a difference in the world and to improve the lives of humans and animals. As I begin my super senior year studying Women and Gender Studies, I hope to make a positive impact on our shared community within UC Davis. I look forward to meeting and assisting each and every one of you. Please, feel free to come by and knock on my apartment 3111 door (knock hard, since I can’t hear a thing when the bathroom exhaust fan is blowing!) to share your ideas for activities, concerns, or just to say “Hi”. All are welcome!

Meet Lindsey!
Hello everyone! My name is Lindsey Cunningham and I am looking forward to getting to know many of you this coming year as one of the new Resident Assistants at Solano Park. My husband Zach and I moved to Davis last August from the Central Coast of California. I am currently finishing up my Undergraduate studies in Biology and will be sending in my application for Dental School this month. Zach is working at Niello BMW in Elk Grove full time as an auto technician. When I am not studying, I really enjoy fitness, preparing new recipes and craft projects. I am hoping to share those activities with you all this coming year and would appreciate any suggestions you may have! Please feel free to stop by apartment, 1823 to say hello, otherwise I will see you at one of the fun events that we have planned for this year!

RAMADAN - The Month of Fasting
Submitted by Merissa Fuentes

Ramadan is the ninth month of the Islamic calendar and is also the month of fasting. This year it is observed from the evening of Saturday, June 28 to the evening of Monday, July 28.

During Ramadan Muslims refrain from eating, drinking and worldly pursuits from dawn to dusk and instead take this time to reflect and reconnect with their faith, family and community. Fasting during Ramadan is considered one of the Five Pillars of Islam, the ideals and foundations upon which the structure of Islam rests. The other four Pillars are: the declaration of faith, prayer, paying of Zakah (an annual charitable payment) and performing the pilgrimage to Makkah, known as hajj.

Fasting during Ramadan is not about the denial of physical pleasure. It is considered an occasion to exercise moral restraint and experience spiritual growth; it is a time to remember God and renew a personal commitment to the high and nobles values revealed to mankind. Like other religious practices in Islam, Ramadan it is an occasion for pursuing moral excellence that can also be translated into excellence in social organization and interaction.

Muslims celebrate the end of Ramadan with one of the most important holidays of the Islamic year: EID-UL-FITR, or the Festival of the Fast Breaking. EID is a day to thank God for the blessings and guidance that He provided throughout the month of Ramadan. This holiday is marked by group prayer, often at a Masjid (Islamic Center) or in an open space, and by giving charity (zakat-ul-fitr).

Please join us for an ifthar (breaking fast) potluck to share the joy of Ramadan on July 28, starting at 8 pm at the SP Community Center. Please contact mefuentes@ucdavis.edu with any questions.

Process for Requesting a Transfer
Submitted by April Berryman

Student Housing will be retaining its current policy of allowing residents to transfer any time of the year.
Previously, current residents were only allowed to transfer between the months of October 1 and March 31 and only after they had resided in their current apartment for at least six months. Leaseholders also do not have to wait six months to turn in an application to transfer.

Leaseholders may go to the Student Housing website (housing.ucdavis.edu) under the Publications section and download and complete a transfer application. There is no fee to apply to be placed on the transfer waitlist. Resident may turn in the completed transfer application to the Solano Park Office or the Student Housing Office. Transfers will be based on the date the application is received and space available which meets the criteria that the leaseholder chooses.

TIP: If the leaseholder has a specific building or apartment they would like to transfer to, this information should be
Pool Safety
Submitted by Sue Franck

Summer is a wonderful time, but I have already seen several pools left unattended around both Orchard and Solano Park. Please dump all pools immediately after use!

Drowning is the second leading cause of unintentional injury-related deaths to children ages 14 and under. In California, drowning surpasses all other causes of death to children ages 14 and under. A temporary lapse in supervision is a common factor in most drownings and near-drownings.

Child drownings can happen in a matter of seconds—in the time it takes to answer the phone. There is often no splashing to warn of trouble. Children can drown in small quantities of water and are at risk in their own homes from wading pools, bathtubs, buckets, diaper pails, and toilets as well as swimming pools, spas, and hot tubs.

Deaths and Injuries
A swimming pool is 14 times more likely than a motor vehicle to be involved in the death of a child age 4 and under. Each year, approximately 1,150 children ages 14 and under drown; more than half are preschoolers (ages 0-4). Each year, an estimated 5,000 children ages 14 and under are hospitalized due to near-drownings. Of children surviving near-drownings, 5-20 percent suffer severe and permanent disability.

Where Drownings Happen
Approximately 50 percent of preschooler drownings occur in residential swimming pools. Each year, more than 2,000 preschooler near-drownings occur in residential pools. Of preschooler pool drownings, 65 percent occur in the child's home pool and 33 percent at the homes of friends, neighbors or relatives.

Each year, 350 drownings (for all ages) happen in bathtubs.
Each year, approximately 40 children drown in five-gallon buckets.

How and When Drownings Happen
Of all preschoolers who drown, 70 percent are in the care of one of both parents at the time of the drowning.
Of all preschoolers who drown, 75 percent are missing from sight for five minutes or less.

Prevent Childhood Drowning
Parents whose children have drowned say the day of the tragedy started out just like any other day. No matter how the drowning happened or where it happened--pool, spa, or any other body of water--one thing was the same, the seconds that claimed their child's life slid by silently, without warning, and can never be brought back.

Supervision
Water with its rippling, shimmering appeal is a magnet for children. Children under the age of five have no fear of water and no concept of death. They associate water with play not with danger. Adults must establish and communicate responsibility for child safety.

Assign an adult "water watcher" to supervise the pool/spa area or any other body of water, especially during social gatherings.
Assign a second adult to maintain constant visual contact with children in the pool/spa area or any body of water that might attract a child. Don’t assume someone else is watching a child.

PLEASE HELP KEEP OUR CHILDREN SAFE—ALWAYS EMPTY YOUR POOLS IMMEDIATELY AFTER USE. REMEMBER IT ONLY TAKES A SECOND TO DUMP OUT THE WATER AND IT LITERALLY MIGHT SAVE A CHILD'S LIFE.

Monthly Maintenance Tips
By Orchard and Solano Park Maintenance

Ø Do you have an annoying bathroom or bedroom door that won’t stay open? We can remedy that. Fill out an online repair request.
Ø Are your closet doors often coming untracked? Take care of them by sliding them slowly and straight. Don’t lean on them when you move them.
Ø Please remember that bedroom and cabinet doors aren’t a painted surface. Hanging items with tape, nails, or tacks will harm the wood finish.

Periodically cleaning the refrigerator door seal will make it easier to open and keep it from ripping. Take special care to clean the bottom edge with warm soapy water where sticky liquids accumulate.

Holidays and Anniversaries

July 7—Tanabata, Star Festival
Tanabata, according to legend, is the day that two stars, Orihime (Vega, the Weaver) and her lover, Kengyuu (Altair), meet in the skies over Japan. Chinese legend has it that the two were originally split apart by the two banks of the River of Heaven (the Milky Way, Ama-no-gawa). The seventh day of the seventh month is the only day they are permitted to see each other, since they once allowed their affection for each other to interfere with their heavenly tasks. Tanabata is especially appreciated in Sendai and Hiratsuka, where their festivals have become famous. Several days before 7 July, people write their wishes or poems on strips of paper in various colors (tanzaku), and hang them on leafy bamboo branches which have been cut from the plant; then, on the night of the seventh, the branches are placed in the garden.

July 11—World Population Day
This day seeks to focus public attention on the urgency and importance of population issues, particularly in the context of overall development plans and programs, and the need to create solutions to these problems.

July 13-15—O-Bon Festival
A Buddhist ceremony observed by lighting lanterns after the harvest for ancestor. This memorial service to the spirits of ancestors is held because the spirits of the dead are said to return at this time, and the festival welcomes them home. Traditionally, fires are lit at entrances to homes so the spirits do not lose their way, and Buddhist family altars are tidied up and food offerings set out. Festival folk dances (bon-odori) are held in various parts of the country on the grounds of shrines, temples, parks, squares, or in the streets, and people dressed in informal summer kimonos (yukata) dance to the songs sung by folk musicians. When O-bon is over, the spirits are sent on their way with fires at entrances of homes. Tokyo, unlike the rest of Japan, celebrates O-Bon in July.

July 14—Bastille Day
The 1789 revolution destroyed the ideas of monarchy and privilege based on birth, when the working class overthrew the French nobility, ending the rule of King Louis XIV. With this, France established itself as a republic.

July 19—International Special Olympics
On this date, the first Special Olympics, an athletic competition for children and adults with cognitive disabilities, opened at Soldiers Field in Chicago, USA. The first Special Olympics had 1,000 participants from the United States and Canada; by 1995, the competition had expanded to include Winter Special Olympics [1977] and involved 7,000 participants from fifty states and 141 countries. The program of events has also grown dramatically, from four at the first Special Olympics to more than fifteen. The international competition is held in the year before the regular Olympic Games. (1968)

July 26—Executive Order 9981
This order directed that there be equality of treatment and opportunity in the armed forces for all people (1948).

Did you know?

- The tenant will neither keep a cat, dog, or other pet in or near the premises nor encourage its presence by feeding. This prohibition will apply not only to pets of the tenant, but also to any visitor to the apartment regardless of the length of a visit. Violations may subject the tenant to termination of his/her right of occupancy.

- Registration Reminder ~
Student Housing requires all students to meet our eligibility requirements to continue living in The Parks Apartments. **Student must have full-time registered status during all regular academic sessions (summer is excluded).** Students who do not meet the requirement are required to registered for additional classes or submit a notice to vacate with their Park Office. Please be aware of these requirements when you register for classes in the coming months. Please contact Student Housing at 530-752-2033 or your Park Office if you have any questions.

- Harassment of Animals
While ducks are often a source of frustration for our community members, we ask that residents be mindful of children’s behavior toward the ducks. Please note that section 251.1 of the Waterfowl Regulations stats the following, “Except as otherwise authorized in these regulations or in the Fish and Game Code, no person shall harass, herd or drive any game or nongame bird or mammal. For the purposes of this section, harass is defined as an intentional act which disrupts an animal's normal behavior patterns, which includes, but is not limited to, feeding or sheltering. This section does not apply to a landowner or tenant who drives or herds birds or mammals for the purpose of preventing damage to private or public property, including aquaculture and agriculture crops.”
