INSIDE YOUR ROOM

FURNITURE AND BED LOFTING
You may rearrange your furniture to your liking; however, you need to know a few things. Decide on the arrangement with your roommate(s), not by yourself. When you move out, you must return it to how it’s arranged today. Any adjustments to your bed require a Service Request. Each resident must submit a Service Request for their own bed; your roommate cannot submit a Service Request for you. Go to housing.ucdavis.edu/housing/furniture-residence-halls.asp to see configuration options for your bed.

WIRELESS, TELEVISION, TELEPHONE
Your wired/wireless network connection and television connection are already activated. Read the Computer Support Guide in this booklet and visit housing.ucdavis.edu/computers and housing.ucdavis.edu/tv to learn more. Order phone service at cr.ucdavis.edu/studentphones or by sending an email to studentphones@ucdavis.edu.

CLEANING/CUSTODIAL
If you live in Segundo or Tercero, the custodial team will not be entering your room to clean it. They clean the “common”, shared spaces such as the lounges and bathrooms. Cuarto residents will receive custodial service for their bathrooms every two weeks. All residents must clean their own rooms.

AROUND THE AREA

WHERE TO EAT
All residents have meal plans that are for use in the dining commons (DC). There is one DC in each housing area (see the maps in this booklet). There is also a convenience store in each area. And you can eat at the Silo Union and Memorial Union (“MU”). You can use your Aggie Cash at participating locations. Go to dining.ucdavis.edu and click on “Aggie Cash” for more information.

WHERE TO GET MAIL AND PACKAGES
Check the maps in this booklet to see where your mailbox is located. Packages are available at the Area Service Desk (see maps) and Amazon lockers.

BICYCLES
Important: register your bike! It’s required by law, and it can help you recover your bike if it is stolen. Also important: always lock your bike! Bikes get stolen from time to time. See taps.ucdavis.edu for more bike rules and information.

There is plenty of bicycle parking in the residence hall areas as well as throughout campus. Biking is the primary mode of transportation in Davis.

HOUSING BIKE SHARE (HuBS)
Don’t have your own bike? You can borrow a bike from the Student Housing Bike Share (HuBS) program. Residence hall students can check out a bike, FREE of charge, for up to 24 hours at a time. Visit your Area Service Desk to check out a HuBS bike!

WHAT CAN I BORROW?
You can borrow a lot of things from the Area Service Desk including board games, cooking equipment, sports gear, vacuums and cleaning supplies. You can also get toilet paper (available only at the Thoreau Area Service Desk). Visit the Area Service Desk to see what else they have.

SERVICE REQUESTS
When you have a facilities-related request during the year you may submit a Service Request online at housing.ucdavis.edu/servicerequest. Examples of things you should submit as a Service Request include information about broken items, requests for new light bulbs, and bed configuration requests. Urgent items should be submitted in person at the Area Service Desk or by calling 530-752-8200.

DOING LAUNDRY

LAUNDRY
Laundry rooms are located in all residence hall areas. Utilize the “WASH” laundry card you received at check-in to pay for machine usage; machines do not accept cash or coins.

Laundry Pricing
- Washing Machine: $1.00 per load
- Dryer: $0.75 per load

WASH Laundry Cards
WASH laundry cards are laundry-facility-only debit cards. They function like reloadable gift cards: when used, laundry machines remove value from the card. Cards should be treated the same as cash: if lost, there is no way to track them to the original owner or to recover the funds. Consider keeping a small amount of money at any one time. WASH laundry cards come with an initial value of $1.75. You can add money to the card at Add-Value Stations, which are located in the Thoreau Lobby, the Segundo Services Center, and the Tercero Services Center.

Check housing.ucdavis.edu/current/laundry.asp for more information.

RESIDENT ADVISORS

Resident Advisors (RAs) are undergraduate students who live in the residence halls alongside their residents. RAs oversee their respective building community, engaging residents in various activities, one-on-one and group contact, and advising. They also create and facilitate community-building programs and host events which may include movie nights and game nights. RAs were once first-year students too, making them an excellent resource.

Each residence hall building has at least one Resident Advisor (RA). Residents will have many opportunities to get to know their hall’s RAs through social events. RAs will seek to engage each resident in order to get to know them, and residents should also take initiative in getting to know their RA. Information about the residence halls’ RAs, typically including their photographs, names, majors and years, is posted on a common area wall in each hall.

ON-CALL CONTACT NUMBERS

A Resident Advisor is available every night for residents who need assistance during the hours that the Area Service Desk is closed. To contact the resident advisor who is on-call for the night, select the phone number for the residence hall that you are calling about from the on-call directory on the Student Housing website: housing.ucdavis.edu/staff/on-call.

PREPARE FOR ROOMMATE AGREEMENTS

During your first week at UC Davis you will meet with your Resident Advisor and your roommate(s) to discuss and develop a “Roommate Agreement”. To prepare, think about the things that are important to you, including your bedtime, when guests can visit, and how much noise is okay. Be ready to discuss these issues as well as the issues that are important to your roommate(s) at this meeting.
EATING WELL

Hope you’re hungry. We make a variety of tasty AND healthy food.

MENU

Our chefs prepare a balanced menu each week. You’ll enjoy favorite recipes several times during the quarter, but the menu changes each week to keep dishes fresh and exciting. We post the weekly menu on the Aggie Dish app and the dining website each Monday: dining.ucdavis.edu/menus.html.

NUTRITION

Linda Adams, R.D. is our staff dietitian. She and her staff can help you if you have questions or special dietary needs that need to be addressed. We look forward to seeing you in the Academic Advising Centers!

GET INVOLVED

SPORTS, CLUBS, COUNCILS, AND SORORITIES AND FRATERNITIES
Getting involved in a club, sport, student council or any other academic, professional or social organization is a wonderful way to enrich your college experience, and there are a number of opportunities to get involved at UC Davis. Following are a few examples of what you can do: join an intramural, or “IM”, sports team (Student Housing has its own IM league!), join the Residence Hall Advisory Board (RHAB) or an Area Leadership Council, or find a student club or organization (check the Fall Welcome events calendar to see which organizations are hosting mixers and events: fallwelcome.ucdavis.edu). And consider joining one of the many business, cultural or social sororities or fraternities at UC Davis (greeklife.ucdavis.edu).

Residents are responsible for removing waste from their rooms. Visit the website below to get a step-by-step guide on how to properly dispose of your waste and help UC Davis meet its goal of Zero Waste.

**REUSABLES**
Collection bins for reusable items are located at the Area Service Desk. Items are donated to the Aggie ReUse Store.

**MIXED RECYCLING**
All recyclable materials can go in one bin. Look for the toter, chute, or dumpster labeled “Mixed Recyclables”.

**CARDBOARD**
Corrugated cardboard must be flattened and taken outside to the nearest dumpster labeled “Mixed Recycling”. See website for locations.

**ORGANIC WASTE**
Residents wishing to collect organic waste that will be sent to a commercial facility to produce compost can dispose of the organic waste in the centrally located yellow toter labeled “compost”. See website for locations. If you do not have your own collection container, send an email to the address below to request one – supplies are limited.

**eWASTE**
Collection bins for eWaste are located at the Area Service Desk.

**HAZARDOUS WASTE**
Used Compact Fluorescent Bulbs (CFLs) can be exchanged at the Area Service Desk. If you have other hazardous waste to dispose of such as nail polish & remover, aerosol cans, expired pharmaceuticals, glue & adhesives, etc. call 530-752-2759 or email sustainablehousing@ucdavis.edu.

**LANDFILL**
Waste that cannot be disposed of in any of the ways above must go into the trash chutes or taken outside to the “Landfill” dumpsters. Large items must be taken outside to the “Landfill” dumpsters.

If you have any questions please email them to sustainablehousing@ucdavis.edu or call 530-752-2759.

**BED BUGS GUIDE**

**WHAT TO DO IF YOU SUSPECT BED BUGS ARE IN YOUR ROOM**
1. Notify your RA and the Area Service Desk of your problem
2. Keep everything in your room; it is important that you do not remove any items from your room so the problem is not spread
3. Student Housing will make arrangements to come and perform a room evaluation
4. Do not let anyone into your room

**WHY ARE WE SEEING AN INCREASE IN BED BUGS?**
Bed bugs were nearly eradicated in the United States by the end of World War II but because of increased global travel they are re-emerging as a significant pest, infesting living spaces at an increasing rate.

Bed bugs are present in all fifty states and can be found anywhere, even in five star hotels. They are becoming more resistant to pesticides which makes treating them much more difficult.

**WHAT TO LOOK OUT FOR**
1. Bedbugs are a 6 legged, flat, reddish brown insect. Adults are about the size of a pencil eraser. They give off a sweet odor described as rotting coconuts.
2. They prefer to hide in cracks and crevices near where you sleep. Usually you will find small bloodstains on sheets and mattresses that have appeared overnight.
3. They hide during the day and come out at night to feed on the blood of sleeping persons.
4. They only travel short distances, which is why they are usually found on bedding and beds.
5. They like to hitch rides on luggage and furniture to new areas to infest. Be careful what furniture you bring into your home.
6. If you notice bites on your body or a mild rash with small itchy bumps in a linear or clustered pattern, you may have bedbugs. If you are experiencing a severe reaction to the bites, contact a doctor for treatment.

Notify your Area Service Desk of any problems:
- **Segundo**: 530-752-4120
- **Tercero**: 530-752-5000
- **Cuarto**: 530-752-7986
