Meal credit is not given if written notification is received and abandonment occurs during the last two weeks of the quarter.

Abandonment of the room with or without written notification from the Student does not relieve the Student of any other liabilities hereunder.

e. Further, the University shall not be liable for injuries, loss or damage, including death, due to the Student’s use of the residence hall facilities, including, but not limited to, pools, spas, kitchens, recreational equipment, elevators, etc., except for such injuries, loss, or damage caused by the University’s negligent or intentional acts or omissions.

7. CONSTRUCTION AND RENOVATION. Construction and/or remodeling or repair of academic and residential buildings on the Davis campus in the vicinity of the residence halls is scheduled for the current academic year. Construction is expected to occur during normal day time working hours, but will result in disturbances and disruptions, including, but not limited to, increased noise and dust in the area surrounding the residence halls and planned and unplanned utility shutdowns in the residence halls. By signing this Contract, the Student agrees that he or she has been advised of said scheduled construction, and acknowledges that there will be disturbances and disruptions resulting from such construction and has agreed to such.

8. RESTRICTED ACCESS. 11. **TERMINATION OF CONTRACT AND REFUND OF RESERVATION FEE.** If the amount specified in any previous year’s housing Contract is not paid in full, the University reserves the right to terminate the Student’s current housing Contract upon 15 days written notice. It is further agreed that this Contract and all rights of occupancy hereby conferred may be terminated by the University without cause upon 15 days written notice. In addition, by giving written notice to the Student Housing Residential Services Office at any time prior to the beginning date of your Residence Hall Contract, the Student may terminate this Contract and receive a refund according to the Refund Schedule.

c. A prorata adjustment of the quarterly room and board rate will be made ONLY IF THE STUDENT HOUSING RESIDENTIAL SERVICES OFFICE RECEIVES WRITTEN NOTIFICATION FROM THE STUDENT OF HIS/HER TERMINATION OF THIS CONTRACT. 2018-2019 **7 FOR RESIDENCE HALL CONTRACTS**

1. **SCOPE.** These regulations are, by reference, incorporated into the contract document for Residence Hall occupancy consisting of Parts I and II, hereinafter referred to as “the Contract.”

2. **COMMUNITY.** As members of a residence hall community, students are expected to be considerate of the personal rights of all community members. High-density living requires personal freedom be exercised in a manner that does not restrict the freedom of others. The regulations presented below are designed primarily to ensure the safety and well-being of all residents. In addition to the regulations noted below, the policies and regulations governing all University students, as specified in Policies Applying to Campus Activities, Organizations, and Students, which is incorporated herein by reference, and all state and federal laws, apply to Students in the residence halls.

3. **GUIDE TO RESIDENCE HALL LIFE.** The Guide to Residence Hall Life, incorporated herein by reference, includes information about living in the residence halls and outlines specific policies residents must comply with. Residents are expected to be familiar with the information and policies contained in the Guide to Residence Hall Life and understand that a violation of Student Housing policy may be considered a breach of the Contract. Student Housing policies are reviewed during Opening Floor Meetings held when the residence halls open in the Fall quarter. Attendance at these meetings is mandatory for all residents. Residents must comply with all policies. In particular, the following prohibited behaviors should be noted:

   a. Underage use or possession of alcohol. Providing alcohol to minors.
   b. Unlawful use or possession of controlled substances. Use or possession of illegal drugs in violation of University policy.
   c. Smoking, including the use of smokeless tobacco and unregulated nicotine products, in any building or within 25 feet of designated areas.
   (Effective January 1, 2014, smoking is prohibited on all University property.)
   d. Possession of any explosive or hazardous material.
   e. Possession or use of weapons.
   f. Unauthorized presence on sunscreens, roofs, or other restricted areas.
   g. Unauthorized entry to or exit from a building via window or balcony.
   h. Tampering with fire protection equipment or fire alarm apparatus.
   i. Solicitation of any kind in or around residence halls and dining facilities.
   j. Unauthorized possession of a pet or animal, excluding fish in tanks not larger than 10 gallons.

4. **FIRE SAFETY** is the responsibility of each resident. Students must evacuate the building for all alarms.

5. **CARE OF STUDENT ROOMS** is the responsibility of the residents. Mold occurs naturally in the environment and there currently exist no federal or state standards for permissible levels of mold. Students are required to take steps to control the growth of mold and mildew by keeping the premises clean and well-ventilated, particularly when showering, bathing, or washing dishes or clothes. Students are required to notify the University [Student Housing] promptly about the existence of visible mold or mildew, water leakage or overflow in or about the premises. Each Student is expected to keep his/her room in a clean and habitable condition. To ensure a minimum of wear to the furniture, bedroom furniture must remain in the Student’s room and common area furniture must remain in the common area. Reasonable care of the rooms and common areas assures a more livable residence hall. Any Student who does not exercise his or her responsibility for private and/or common areas and whose actions result in undue damage may be required to leave the residence halls and pay for damages.

6. **BED BUGS:** UC Davis takes a proactive approach in addressing the issue of all types of household pests, including bed bugs. It is our goal to maintain the highest quality living environment for our residents. Student Housing has no prior knowledge of a bed bug infestation or has professionally treated the room for bed bugs. Any Student who suspects they may have bedbugs in their room is required to immediately notify their Area Service Desk to report the problem. An inspection will be scheduled and treatment will be done if bed bugs are present. Students may be temporarily transferred to another space while their room is being treated and re-inspected. Students will be asked to leave all belongings in the room for treatment while they are relocated.

Students are advised to avoid buying or receiving used furniture, mattress pads or covers due to possible “hitch hiking” of bed bugs into the room. Bed bugs may also be carried into a room in luggage, backpacks, clothing and packages. Resident owned belongings that are found to have bed bugs must be permanently removed or treated and re-inspected by a trained professional before being returned to the room.
