UC Davis Police Accountability Board Winter Quarterly Meeting
Wednesday, January 27 | 7 - 8 PM | UC Davis Comprehensive Cancer Center Auditorium

The Police Accountability Board will hold its quarterly public meeting from 7 to 8 p.m. Wednesday, Jan. 27, in the UC Davis Comprehensive Cancer Center Auditorium.

The independent board holds one public meeting in each quarter of the regular academic year. Each public session starts with board member introductions, and information about the board's purpose and how complaints can be filed. Then the board takes general comments and questions.

The board's work on specific complaints is confidential. Independent investigators assist the board, which has the task of making recommendations to the police chief regarding charges of officer misconduct.

The university established the board in May 2014 as a pilot project to develop and promote accountability, trust and communication between the campus community and the Police Department.

The board comprises representatives from these constituency groups: Academic Senate and Academic Federation, Staff Assembly, Graduate Student Association, ASUCD, Student Life and the UC Davis Health System.

Manetti Shrem Museum Student Coalition
The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis’ art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.

Sorority and Fraternity Life Updates
Sigma Phi Epsilon - The Balanced Man Scholarship
Sigma Phi Epsilon idealizes the philosophy of Balance; and in order for one to be successful in all aspects of life one must do so with a Sound Mind in a Sound Body. In addition to these values and ideals, Sigma Phi Epsilon across the nation has endeavored to become a partner in higher education, which is how this scholarship was founded.

This scholarship is available to all current and incoming students at UC Davis. There is absolutely no obligation to join the Sigma Phi Epsilon fraternity before, during, or after the scholarship process.

The Balanced Man Scholarship is a great opportunity for gentlemen who thought their scholarship opportunities were over. This year we will be awarding $750 to a first place winner and $250 each to two second place winners. On top of this, finalist will be invited to a scholarship banquet in the middle of Spring quarter.

Unrecognized Groups
Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
