ASUCD Housing Day

Tuesday, January 26
10 AM - 3 PM | ARC Pavilion |
[asucd.ucdavis.edu/units/housing-day]

Are you a student looking for a place to live next year? Looking for housing for the new school year can be a daunting task but ASUCD’s Housing Day can help ease your search! Housing Day is an event run by ASUCD’s Housing Advising for Undergraduate Students. Over 60 managers and representatives will come to the ARC Pavilion on campus to provide information about their particular apartment complexes. This will give students a unique opportunity to individually talk to multiple managers about their floor plans, prices and tour dates. The representatives will answer any questions pertaining to leases or the amenities that their individual complex offers.

This will be a fantastic opportunity for students to engage with the Davis community as well as learn more about the process of moving from student housing to off-campus living. There will even be a table for students to learn their renter's rights. Not only will this be an opportunity for learning about off-campus living but there will be many free promotional items and giveaways to take part in!

Manetti Shrem Museum Student Coalition

The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student
Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis' art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.

Sigma Phi Epsilon - The Balanced Man Scholarship

Sigma Phi Epsilon idealizes the philosophy of Balance; and in order for one to be successful in all aspects of life one must do so with a Sound Mind in a Sound Body. In addition to these values and ideals, Sigma Phi Epsilon across the nation has endeavored to become a partner in higher education, which is how this scholarship was founded.

This scholarship is available to all current and incoming students at UC Davis. There is absolutely no obligation to join the Sigma Phi Epsilon fraternity before, during, or after the scholarship process.

The Balanced Man Scholarship is a great opportunity for gentlemen who thought their scholarship opportunities were over. This year we will be awarding $750 to a first place winner and $250 each to two second place winners. On top of this, finalist will be invited to a scholarship banquet in the middle of Spring quarter.

Unrecognized Groups

Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
