RHAT Program Updates

Planning Your Spring Quarter Schedule
Our current RHAT program, Planning Your Spring Quarter Schedule, will continue until February 11.

It's a good idea to evaluate your academic progress on a quarterly basis. Do you know all of the university,
general education, college, and major requirements you need to fulfill to graduate? Let us help you review your requirements, discuss your progress and plan for your final quarter of your first year at UC Davis. See your RA for the specific time of your community’s program.

**Academic Tip of the Week**

**Spring Quarter Schedule**

When you are planning your Spring quarter schedule and thinking about how many units to take, remember to keep in mind Minimum Progress. You want to make sure that when you add up your units from Fall, Winter and Spring quarter that they add up to 39 units. For example, if you have took 12 units in Fall quarter, 13 units in Winter quarter then you want to take at least 14 units in Spring to meet Minimum Progress. If you have any questions on Minimum Progress then stop by to chat with a peer advisor in your Academic Advising Center.

**Manetti Shrem Museum Student Coalition**

The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at [cdor@ucdavis.edu](mailto:cdor@ucdavis.edu).

The Manetti Shrem Museum will champion the legacy of UC Davis’ art department founders, exploring their enthusiasm for interdisciplinary practices. Sorority and Fraternity Life Updates

Sigma Phi Epsilon - The Balanced Man Scholarship

Sigma Phi Epsilon idealizes the philosophy of Balance; and in order for one to be successful in all aspects of life one must do so with a Sound Mind in a Sound Body. In addition to these values and ideals, Sigma Phi Epsilon across the nation has endeavored to become a partner in higher education, which is how this scholarship was founded.

This scholarship is available to all current and incoming students at UC Davis. There is absolutely no obligation to join the Sigma Phi Epsilon fraternity before, during, or after the scholarship process.

The Balanced Man Scholarship is a great opportunity for gentlemen who thought their scholarship opportunities were over. This year we will be awarding $750 to a first place winner and $250 each to two second place winners. On top of this, finalist will be invited to a scholarship banquet in the middle of Spring quarter.

Please click the following link to fill out the application:

Unrecognized Groups

Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.

This February 12th, 2nd Friday ArtAbout celebrates HeArtAbout, a special artwalk with featured venues hosting heart / loved inspired art and Valentine’s treats, like chocolates and champagne. Take out your Valentine, friends, and loved ones and explore thirty exhibits of art, specially curated by the individual businesses that make up downtown Davis.

Additionally, Davis Downtown will be hosting an Open House. Twenty-four downtown retailers will keep their doors open later, and will be serving up refreshments and entertainment throughout the night.
