Manetti Shrem Museum Student Coalition
The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot
make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis' art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.

Sorority and Fraternity Life Updates

Unrecognized Groups

Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.

**ENL 98F-Children's Literature Workshop: Reading, Writing, and Illustrating**
2 units P/NP | Time: M 10-11:50 AM | Location: Voorhies 308 | CRN: 63855

Attention all freshman students!

Are you interested in reading, writing, and illustrating children's literature? ENL 98F is a student-led course offered P/NP this Spring 2016. My name is Emily Masuda, and during my third year as an English major, I have designed this creative writing course with Professor Elizabeth Miller of the English Department. As Instructor of Record, Professor Miller will attend half of the classes, which will be offered Monday 10-11:50 a.m., but I will be leading the class discussions and guiding all components of the class.

Hope to see you in class!

Emily Masuda

**************

Course Description:
Join the Children’s Literature Workshop this Spring 2016! This is a student-led course, but it aims to be student-centered as well: that means that our goal this quarter is for you to become a writer and illustrator of children's books. Throughout the quarter we'll be returning to the beloved books of our childhood and discussing craft essays in order to think about children’s literature and the creative writing process, and to ultimately construct a process of our own.

Each week we will experiment with methods and elements in and outside of class as they pertain to children's literature. Through reading, writing, and illustrating, I hope that we will explore the worlds, characters, and
narratives of this genre together. Enter the creative space of our classroom ready to be active in your own learning process: engage with weekly readings, reconsider familiar texts, participate in discussion, ask questions, and discover not only what you want to write, but how and why.

If you would like further information about this course, email ejmasuda@ucdavis.edu or the English Department advisor Lynda Jones at lmjones@ucdavis.edu.
