Take Back the Night - Call for Performers
Thursday, April 21 | 7 PM | UC Davis Student Community Center, Multipurpose Room

Take Back the Night is an annual event that aims to support survivors of sexual violence, raise awareness, and promote action within our community to end sexual and gender-based violence. The goal of this year's event is to empower survivors to name their experience for themselves, on their own terms and in their own language. We strive to create a safe and welcoming space for individuals, both survivors and aspiring allies to survivors, to be critical of the systems in which sexual violence is rooted, and call to the forefront the different ways in which sexual violence is experienced within different communities.

We are in search of individuals or groups who are interested in speaking or performing at Take Back the Night. Performances may include spoken poetry, monologues, dance, singing, playing an instrument, etc. Due to the time limitations of the event, we may not be able to accommodate every performance; priority in the selection of performers will be given to those who are connected to the UC Davis community, and whose performances reflect the overarching goals of Take Back the Night. Final decisions regarding performances will be made by April 18, 2016.

If you would like to perform at the event, please complete this form: https://docs.google.com/forms/d/1byHNrDZnd2Fw7FQ1tXj8RdMaztRWEP-JbNJe-tmwbHsc/viewform

If you are a survivor and you would like to share your experience at the event, you may fill out the form above or you can email Jacquelyn Lira, CARE Victim Advocate, directly at jllira@ucdavis.edu.

Sorority and Fraternity Life Updates

Unrecognized groups
Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their international organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
