Sustainable Student Housing

Move-out Part II

Spring is here and the end of school is near! Before you know it, it will be time to pack up and move-out of the res halls. Here are some tips to help you plan ahead and reduce your stress during finals/move-out week:

- Decide what items you will not be taking with you for the summer
- Set aside items that can be donated during the Spring Cleaning Event the week of June 6 - June 10
- Find out how to properly dispose of items that cannot be donated. See the Student Housing Waste Diversion Guide for tips

The week of June 6 thorough June 10 Student Housing will be collecting items to donate to Goodwill Industries and the Food Bank of Yolo County.

How it works:
Goodwill Donations
Drop of your reusable items such as clothes, shoes, linens, accessories, housewares, school supplies, etc. Do not drop off anything that is badly stained, soiled, worn, torn, broken, or that has missing parts. Electronic waste is acceptable and will be recycled.

Food Bank of Yolo County Donations
We will also have a collection bin for non-perishable. Do not drop off anything that is opened, expired, needs refrigerated, or in glass containers.

Manetti Shrem Museum Student Coalition
The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis’ art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.

Sorority and Fraternity Life Updates
Unrecognized groups
Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the [UC Davis Sorority and Fraternity Life Chapter Pages website](http://www.ucdavis.edu/). If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
