Issues to Action
Monday, May 2 | 5:30pm-7:00pm | 1360 The Grove (Surge III)
This workshop will help students identify a local issue that is important to them and it will teach them to work as part of a team to solve that issue. Students will learn that sometimes a team will focus on what they are passionate about, while other times the focus may be on others' passions. When this happens, how do people continue to contribute to solving an issue as part of a team when their idea wasn't chosen? This interactive workshop where participants work as a team to identify an issue in their community/school that needs to change. Together they will decide what steps/resources are needed to create change and determine a feasible timeline.

Despite Our Differences: Religion, leadership, and social justice
Wednesday, May 4 | 5:30pm-7:00pm | Student Community Center Room D
The current political and social climate highlights the significant differences in beliefs and values amongst the world’s religious communities. We see these differences reflected in the rich diversity of religious and spiritual beliefs and practices in our own campus community. With these differences come leadership opportunities and challenges associated with creating inclusive environments, and the potential for interfaith work to
address many common social challenges around the world. How do we celebrate differences, find common ground, and engage both religious and non-religious youth in making a difference for people and the planet? Through video, dialogue, and exercises, we will explore the relationship between spirituality, leadership, inclusion, and social justice.

Facilitated by: Laurie Stillman - Student Development Consultant

Manetti Shrem Museum Student Coalition
The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis’ art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.
Sorority and Fraternity Life Updates
Unrecognized Groups
Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the UC Davis Sorority and Fraternity Life Chapter Pages website. If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
