Note dates on your calendar now:

New Campus Store and Amazon@UC Davis Open June 6, 2016

The new Campus Store, formerly known as UC Davis Stores’ Memorial Union store, will open June 6 along with one of the first brick-and-mortar locations for Amazon.com. Although the grand opening and ribbon cutting ceremony won’t be until fall quarter, the soft opening on June 6 will make both the Campus Store and the brick-and-mortar Amazon location, Amazon@UC Davis, fully available to students and the campus community.

The Campus Store was designed to be uniquely UC Davis and serve the needs of the growing student population. New features include improved accessibility, adjustable fixtures to meet changing business needs, seismic upgrades, a state-of-the-art TechHub repair center, a featured campus author section, and kiosks for featuring products, departments and vendors.

The Amazon@UC Davis store will be located right next to the Campus Store in the Memorial Union, with its own entrance and hours (9 a.m.-9 p.m., Monday through Friday and noon to 9 p.m. Saturday and Sunday). It will provide a convenient location to pick up and return Amazon orders. Prime Student and Amazon Prime members will have access to free same-day pickup at the location for orders placed by noon and free one-day pickup for orders placed by 10 p.m.

Prime Student offers benefits similar to Amazon Prime and is free for the first 6 months. After 6 months, an annual subscription costs $49 (50% off Prime) and includes unlimited streaming of movies and TV shows with Prime Instant Video, over a million songs with Prime Music, and access to the Kindle Owners’ Lending Library. Any UC Davis student can sign up for a Prime Student account. To learn more about Prime Student, visit amazon.com/joinstudent.

Amazon's collaboration with UC Davis predates the brick-and-mortar location; ucdavis.amazon.com, a shared online storefront that donates a portion of profits to UC Davis, has generated over $700,000 to support student services since the program began, including over $100,000 toward textbook scholarships for UC Davis students.

So join UC Davis Stores on June 6, 9 a.m.-6 p.m., for the soft opening of the Campus Store and Amazon@UC Davis, and visit ucdavis.amazon.com for all your online shopping needs; it offers everything Amazon.com does, while contributing a portion of each purchase to UC Davis student services and

Manetti Shrem Museum Student Coalition
The Jan Shrem and Maria Manetti Shrem Museum of Art is opening in the fall of 2016, and we are eager to engage students in working with us on shaping our programs. To create an opportunity to hear the student voice, we are launching the Manetti Shrem Museum Student Coalition in January 2016.

The Manetti Shrem Museum Student Coalition is a community of students that gathers around pizza once a month to discuss ideas about student events, upcoming programs, and the possibilities of forming a Student Advisory Board when the museum opens. There will also be an online forum where students who cannot make the face-to-face meetings can contribute their opinions, and topics can be discussed more in depth.

To learn more about the Manetti Shrem Museum Student Coalition, visit our Facebook page and online forum. If you have further questions, please send an email to our Coordinator of Student Engagement, Carmel Dor, at cdor@ucdavis.edu.

The Manetti Shrem Museum will champion the legacy of UC Davis’ art department founders, exploring their enthusiasm for interdisciplinary practices. We welcome your help in establishing a museum for our university that reflects this interdisciplinary mission. Please spread the word by encouraging students in any of your classes to join the coalition.

UC Davis Sorority and Fraternity Life
Unrecognized Groups
Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.
