Call for nominations for 2017-18 book project
The campus is inviting your suggestions for the book that will follow Stuffed and Starved in the Campus Community Book Project.

Stuffed and Starved is the book project for 2016-17, as announced last month, selected from nominations on the topic of "poverty/hunger/food security."

The topic for 2017-18, as selected by the Campus Council on Community and Diversity, is "intersection of racial and LGBTQIA (Lesbian, Gay, Bisexual, Transgender, Queer, Intersex, Asexual) identities." Nominations are due by July 1, after which the selection committee will have the summer months to consider the nominated volumes.

Here are the general criteria for nominations:

- Compelling and thought-provoking to engage us in dialogue about contemporary controversial issues
and to raise questions that have many possible answers.

- Well-written, accessible and engaging to a general audience.
- Short enough to be read within the timeframe usually allotted for coursework.
- Provocative and intriguing to as many members of the community as possible, to invite diverse participation and integration into discussion groups and courses across the sciences, social sciences, and humanities.
- In print in paperback (by spring of the year before the project) and affordable.
- Written by an author who is still living and who is an engaging public speaker, available to give an author’s talk during the span of the project, and who would be a campus guest.

Nominations are welcome from anyone in the campus community. Please include title, author and a short description of the book, plus an explanation of why it complements the topic and represents a worthy selection.

Have a nomination or would you like to volunteer for the selection committee? Send an email to Mikael Villalobos, coordinator of the Campus Community Book Project

**Sorority and Fraternity Life**

**Unrecognized Groups**

Some organizations that were once recognized fraternities or sororities at UC Davis may attempt to continue to operate despite having lost recognition from the University. Any operation of these groups is considered underground activity and is not sanctioned by the Office of Sorority and Fraternity Life. Therefore, students should carefully consider their potential student conduct record before associating with an unrecognized group.

These organizations have had their recognition revoked by the institution for various reasons, including such things as hazing, alcohol and drug abuse, risk management violations, and failure to comply with University policies and expectations. These organizations have in almost all cases also had their charter suspended or revoked by their inter/national organization because they were not upholding fraternal values and were engaging in risky behaviors that endangered the members and other students.

For a complete list of recognized groups please visit the [UC Davis Sorority and Fraternity Life Chapter Pages website](#). If you have a question please contact the Office of Sorority and Fraternity Life 530-752-4606.
