How Do I Use My Meal Plan?

Meal plans come with a set number of meals per quarter. Meal plan information is stored on your [AggieCard](#), and you "swipe" your AggieCard each time you enter the dining commons (DC). Click here to learn how to keep track of your [meal plan and Aggie Cash](#) balances so you do not run out.

If at any point during the quarter you need to purchase additional swipes you may do so on [myucdavis](#) or at the Meal Card Office, located on the 3rd floor of the Segundo Services Center. You may only make changes to your meal plan (upgrade/downgrade) during specific times during the academic year. For specific dates please see [Changing Meal Plans](#).

One swipe is good for one meal at the dining commons. Swipes can also be used at other campus locations besides the three DCs. See the additional information below.
