To stay in the loop on all things Campus Recreation, become a certified fitness instructor with Fitness and Wellness. Submit your application now so you can fit in your ACE Exam.

For games area updates and more, seasoned athlete or a complete rookie, you are welcome and encouraged to participate. And trust us, you aren’t finished yet.

It is the second day of Black Futures Month. Join our team at First-Year Aggie Connections.

First-Year Aggie Connection is Now Hiring

Police Accountability Board Winter Quarter Meetings

Study Abroad, Internship Fair and Workshops

Various campus partners support the awards application and selection processes, and many awards have specific requirements for eligibility. The registration deadline for the Community Service and Civic Engagement Awards is March 16, 2018, unless otherwise noted.

The performance dates are March 2nd and March 3rd, 6:00pm-8:00pm at Veterans Memorial Theatre, Davis CA. The production consists of a series of monologues that touch upon personal stories of resilience, community, and healing. All artwork submissions are due February 9th.

Tickets are being sold in the Women’s Resources and Research Center on the first floor of 113 North Hall, on a first-come, first-served basis. The performance will be held in honor of Black Futures Month and the 100th anniversary of the 19th Amendment. The performance will be centered around healing, highlighting folx with intersecting marginalized identities. As a center, we strive to promote gender equity, inclusivity, and social justice.

The registration deadline for the Police Accountability Board is February 23.

February 21, 2:00PM – 3:00PM, International Center, Meeting Room 3119

Come learn about the STA airfare deposit program and the services STA provides. We will also host Study Abroad Workshops related to funding opportunities (see the Aggie Reader for more information). We will also host Study Abroad Workshops related to funding opportunities (see the Aggie Reader for more information). On the day of the fair, we will also host Study Abroad Workshops related to funding opportunities (see the Aggie Reader for more information).

All students (including freshmen, transfer students, and graduating seniors) can study abroad on UC Davis Study Abroad. See birds, bees, and big plants at the seventh annual Biodiversity Museum Day!

Don’t miss your chance to get up close and personal with nature. The registration deadline for the Police Accountability Board is February 23.

On March 7, join the Institute for Food and Agricultural Literacy for a special screening followed by a panel discussion. The screening will be held in the UC Davis Library and is open to the public. All are welcome to attend.
