More Information:

- UC EDUCATION ABROAD PROGRAM (UCEAP)
  - Create a Study Abroad account now and professional staff at Study Abroad are available over email, phone, and, in person all summer so start.
  - UC Davis credit taught by a Davis faculty member on one of four programs offered during Spring 2019. Peer Advisors on campus. Student pricing is coming very soon, until then, the best fit for most people will be the "Hourly" plan.

- When:
  - UC Davis Quarter Abroad
    - Explore Taipei while on excursions and attending scientific seminars in and around the city
    - Continue Japanese language study and take a Japanese culture and history class
    - Spend a quarter in the stunning city of Kyoto, Japan's cultural capital
  - No prior Spanish language experience required

Internships available in research, education, medicine, business, science, public policy and more.

- Internships
  - We've extended the deadline – there's still time to apply for our sustainability team for next year and will be forfeited on the last day of Spring Quarter (June 14). This does not apply to additional Aggie

Zero Waste Team

- Zero Waste Team
  - We've extended the deadline – there's still time to join us for our last Zero Waste Workshop!
  - TONIGHT: Join Us For Our Last Zero Waste Workshop!

Any questions, please contact us for helpful information about transportation and commuting to campus without a car after 2025. Help us understand students' transportation needs by completing our survey.
