Greetings Aggie Transplants!

My name is Sue Franck and I am the Coordinator of Apartment Living for the Student Housing Apartments (SHA) program. My background includes a M. Ed. from George Mason University as well as over 20 years of experience working in Student Affairs. I provide supervision and oversight of the Community Assistant staff working in the SHA program. The overall goals of the SHA program are to help with your transition to UC Davis, refer you to needed academic resources and help you get connected to the campus and university life. To assist with these goals you have been assigned a Community Assistant (CA) to help guide you to your final destination - Graduation. To start your transition to university life, we will hold community meetings and a pizza dinner on the first day of move in, where you learn some logistics, meet fellow UC Davis students in your community, and meet staff members as well. Please keep in mind that attendance at the first community meeting on your move in day is a mandatory meeting.

The CA staff is in training and you should have received a letter from your CA. Your CA letter has links to the Fall Welcome Week Schedule as well as an invitation to join our Facebook group. I am hopeful that you will join our Facebook group and...
I hope that you will join our Facebook group and attend most of Welcome Week, as these are both great opportunities for you to begin to connect to the campus as well as other transfer students.

I look forward to meeting you during Welcome Week. Until then, congratulations on your acceptance to UC Davis and we look forward to supporting your academic and personal success at UC Davis!

Sue Franck  
Coordinator of Apartment Living  
Office of Student Development  
Student Housing, UC Davis
