

Student Housing Apartments News

Hear from transfer students about the resources and connections that will help you succeed at UC Davis.

Connect. Communicate. Celebrate.

We know you're busy preparing for move-in and your first year at UC Davis. As part of this preparation, Student Housing Apartments (SHA) encourages you to begin communicating with your future roommates. We think this is so important, we want to celebrate one lucky apartment with a free pizza party during Fall Welcome.

If proximity allows, you can meet in person. If it doesn't, video chatting is another great option! Either way, document your connection by taking a photo or screenshot and share it with us for your chance to win!

Use the Google form to submit a picture of you and your roommate (in person or video chatting, etc.). Each entry will be submitted into a raffle. The winner will receive free pizza on September 26, 2017, to celebrate the new school year with their roommates.

Transfer and Reentry Center

Because of their shortened time at UC Davis, transfer students are often told they need to hit the ground running. Primary challenges may include transitioning from a semester system to a faster-paced quarter system and beginning upper-division courses. Engaging research, internship and leadership opportunities while concentrating on doing well academically can be overwhelming.

The Transfer and Reentry Center (TRC), 1210 Dutton Hall (between Finerman Hall and the Cashiers Office), is where you can connect with staff and community who understand the challenge of adjusting quickly to life as a student at a top-ranked research university. (The TRC offers a for-credit class on transitioning to UC Davis.)

Whether your questions focus on academics, adjusting to UC Davis or finding a referral to address specific issues and concerns, make the TRC your first stop and consider it your home while at UC Davis.

Be sure to stop by the Transfer Fall Welcome, September 26, 4-6 p.m. at the ARC Ballrooms. During the academic year, the center provides free office on Tuesdays, 9-11 a.m.

Student Academic Success Center

Each quarter the Student Academic Success Center (SASC) offers subject-specific writing, study skills and pre-graduate and pre-professional advising workshops.

What Can I Do with My Major?

The "What Can I Do with My Major?" blog will help you learn about UC Davis majors, and the kind of careers you can pursue with them. The blog features Aggie alumni talking about their career paths and may help you develop your own!

Sustainability

As a Student Housing Apartments resident, you can contribute to UC Davis sustainability efforts. We encourage you to consider the social, economic and environmental impacts of your lifestyle and apply best practices wherever you live, learn or work. Improving sustainability is an achievable goal when you actively participate, lead by example and encourage others.
