Top 5 Reasons To Ride The Berkeley Bus

Top 5 Reasons

to ride the Berkeley Bus!

With the start of the new school year, Fleet Services wanted to share our Top 5 Reasons to ride the Berkeley/Davis shuttle, which we affectionately call the Berkeley Bus!

#1 – It the BEST way to see your friends in Berkeley. Ok, so we may be a little biased, but you can't beat our comfy and spacious shuttle, the affordable price, almost impeccable on-time schedule, and easy ride to Berkeley.

#2 – Free Wi-Fi on the bus. Don't worry about data usage when you ride the Berkeley Bus! We've got fast and free wi-fi on our shuttle, woohoo!

#3 – Your gateway to the Bay. Want to see some sites in the Bay Area? This is a great alternative to get there! It's half the price of many other transportation services and is close to the Bart station to hop on and head straight into San Francisco.

#4 – Runs every day of the week, hello mini-vacay! Need a break? Take the Berkeley Bus ANY day of the week and give yourself that much needed mini-vacay in the Bay.

#5 – Helping the environment, yay you! That's right, by riding the shuttle you are helping reduce your carbon footprint, than if you were to make the drive alone in your car. Carpooling and riding the shuttle are great ways decrease the amount of carbon dioxide you are putting into the air, and that's great for everyone!

So there you have it, the top 5 reasons to ride the Berkeley Bus. Don't get us wrong though, there are many more reasons! Learn more about the Berkeley Bus [here](#) or go to <https://berkbus.ucdavis.edu/> to purchase your tickets today!
