Welcome to the Aggie Reader!

It's Halloween Season! Tag @UCDavisHousing for your best costumes or room decorations for a chance to be featured and get some free swag.

In this issue of the Aggie Reader check out the list of things you can do this week, SHA$CHING Bucks, a Pizza Party for your apartment and more!

Resource of the Week: First-Year Aggie Connections

First-Year Aggie Connections (FYAC) groups first-year students (freshmen and transfers, including

aggieconnect.ucdavis.edu #aggieconnect
international students) into 25-person “Connections” based on a shared purpose, interest, or theme. Connections meet regularly for one academic quarter and are led by staff or faculty facilitators who engage students in discussions surrounding crucial topics related to transitioning to life at UC Davis.

Winter registration will be posted soon!

SHA$CHING Bucks

What Are SHA$CHING Bucks?
SHA$CHING Bucks are raffle tickets that you can collect throughout the year and use at some of our all-SHA Social to win amazing prizes (i.e. Gift Card, Déco, Bluetooth speakers, Vacuums, Kitchen Ware, etc.).

How can I collect SHA$CHING Bucks?
CAs can give out SHA$CHING Bucks for a variety of reasons, but some typical ways include:
- Attend all-SHA Socials
- Attend CA Community Events
- Be an active member of our SHA community

SHA Facebok Pizza Party

Don’t forget to join our UC Davis Student Housing Apartments FB Page!

The SHA community with the most percentage of residents on the page will win a pizza party. Make sure you vote on the poll to be counted for your community.

The poll will close on October 31st at midnight! Winning Complex will be announced on Friday Nov 2.

Email Sign Up: https://tinyurl.com/info-WRRCSTEMPrograms

By signing up for this listserv, you will get email updates on STEM Cafe, WiSE Mentorship Program, Womxn in STEM Week, and Feminists in the Workforce Series.

More information on these programs can be found on the link above.

**STEM Cafe Academic Support**
- STEM Cafe is a free academic support program open to any student looking for help with math, coding, and science. We aim to create a fun, collaborative, academic support environment that centers support of folx with marginalized gender identities (womxn, womxn of color (WOC), Trans, gender non-conforming, non-binary folx, etc). This space is open to everyone and we encourage allies and advocates to participate as well.

**Womxn in Science and Engineering (WiSE) Mentorship Program**
- WiSE is a developing program that establishes engineering and sciences as a place for marginalized gender identities (womxn, WOC, Trans, gender non-conforming, non-binary folx, etc) to reach their goals. Our programs for students focus on participating in their engineering and science education from the first year college through the graduate level. WiSE recruits participants and mentors in the fall quarter and use the Winter and Spring Quarter to meet and attend social planned and facilitated by the WRRC.

**Womxn in STEM Week**
- This is a week in January dedicated to hosting interactive STEM-related workshops and promoting Womxn in STEM at the WRRC in North Hall
Steminists in the Workforce Series

This event includes four discussions on communication, self-confidence, and work-life balance. Panelists, who are STEM Professionals, will encourage UC Davis womxn in STEM to celebrate their successes and also warn them about the hard lessons they learned from their own experiences. The four discussions will happen within the winter and spring quarter.
