Payment will be due when the lease begins and rent for any partial month shall be prorated at a daily rate. Unpaid rent becomes delinquent fifteen (15) days after the due date unless a written extension has been obtained from Student Housing and Dining Services. Failure to pay rent may result in action being taken, including a hold on future registration and termination of the right of occupancy.

The LESSEE (if not renewing a lease) agrees to pay the deposit upon acceptance of this lease. This deposit shall be held as a security deposit and shall be refunded upon termination, expiration or reasonable cancellation of this lease after making deductions for rent owed, and any amounts reasonably necessary (a) to cover repairs, damages or loss caused by the LESSEE, (b) to clean the apartment beyond reasonable use and wear, and (c) to cover LESSEE default in payment of rent. This prohibition will apply not only to pets of the LESSEE, but also to any visitor to the apartment regardless of the length of a visit. Violations may subject the LESSEE to termination of their right of occupancy. Exceptions to the no pet rule may be made for healthy, small pets, other than cats, dogs and snakes, which are permanently kept and contained in a small cage or aquarium within the apartment. The UNIVERSITY may deny this exception should the small pet become a nuisance or health hazard to the neighbors or the UNIVERSITY. Any repairs or maintenance for which the LESSEE is liable will be charged to the LESSEE. This charge will be paid by the LESSEE upon receipt of charges. The LESSEE may not undertake repairs personally or contract other persons to do so during the LESSEE's tenancy or upon the termination of tenancy. The foregoing shall not limit the LESSEE's right to request that the UNIVERSITY repair damage, correct deficiencies, or otherwise service the premises during the tenancy. Notwithstanding such a request, the LESSEE shall be liable for any damages done to the premises or deficiencies created by the LESSEE, normal wear and tear excepted.
26. **ALTERATIONS AND DECORATIONS:** The LESSEE will make no alterations, improvements, or additions on the premises without

The LESSEE agrees to report immediately to the Orchard Park Office the existence of any unsafe or unsanitary condition. All propane cylinders must be stored outside and in a locked propane storage cage.
31. **MOLD:** Mold occurs naturally in the environment. There currently exist no federal or state standards for permissible levels of mold. The LESSEE is required to take steps to control the growth of mold and mildew by keeping the premises clean and well ventilated, particularly when showering, bathing, or washing dishes or clothes. The LESSEE is required to notify the UNIVERSITY promptly about the existence of water leakage, overflow in or about the premises, and visible mold or mildew. Learn more by reviewing the "[Information on Dampness and Mold for Renters in California](#)" booklet that comes from the state Department of Public Health.
32. **PEST CONTROL AND BED BUGS:** The OWNER and its property manager take a proactive approach in addressing the issue of all types of household pests, including bed bugs. Student Housing and Dining Services has no prior knowledge of a bed bug infestation or treatment of the apartment for bed bugs. Any resident who suspects they may have bedbugs in their apartment is required to notify the Orchard Park Office immediately to report the problem. An inspection will be scheduled, and treatment will be done if bed bugs are present. Residents will be required to meet with the Facilities Manager when bed bugs are confirmed in the apartment to determine the cause and review prevention measures. Reoccurring incidents of bed bug infestation may result in charges, at the discretion of Student Housing and Dining Services, if it is determined that the infestation is due to resident negligence. Student Housing and Dining Services also reserves the right to issue a termination of the lease. LESSEE'S are advised to avoid buying or receiving used furniture and mattresses/mattress pads or covers due to possible "hitch hiking" of bed bugs into the apartment. Resident owned furniture that is discovered to have bed bugs must be permanently removed or treated and re-inspected before being returned to the apartment. Residents are encouraged to report pest control problems through the Service Request process. Pest control issues may be reported either by the resident or by other residents in the building. Proper notice of entry will be provided when a pest control issue needs to be addressed and residents will be expected to accommodate the service.

Information about Bed Bugs:

- **Bed bug Appearance:** Bed bugs have six legs. Adult bed bugs have flat bodies about 1/4 of an inch in length. Their color can vary from red and brown to copper colored. Young bed bugs are very small. Their bodies are about 1/16 of an inch in length. They have almost no color. When a bed bug feeds, its body swells, may lengthen, and becomes bright red, sometimes making it appear to be a different insect. Bed bugs do not fly. They can either crawl or be carried from place to place on objects, people, or animals. Bed bugs can be hard to find and identify because they are tiny and try to stay hidden.
 - **Life Cycle and Reproduction:** An average bed bug lives for about 10 months. Female bed bugs lay one to five eggs per day. Bed bugs grow to full adulthood in about 21 days.
 - **Bed bugs can survive for months without feeding.**
 - **Bed bug Bites:** Because bed bugs usually feed at night, most people are bitten in their sleep and do not realize they were bitten. A person's reaction to insect bites is an immune response and so varies from person to person. Sometimes the red welts caused by the bites will not be noticed until many days after a person was bitten, if at all.
 - **Common signs and symptoms of a possible bed bug infestation:**
 - Small red to reddish brown fecal spots on mattresses, box springs, bed frames, mattresses, linens, upholstery, or walls.
 - Molted bed bug skins, white, sticky eggs, or empty eggshells.
 - Very heavily infested areas may have a characteristically sweet odor.
 - Red, itchy bite marks, especially on the legs, arms, and other body parts exposed while sleeping. However, some people do not show bed bug lesions on their bodies even though bed bugs may have fed on them.

For more information, see the Internet Web sites of the United States Environmental Protection Agency and the National Pest Management Association.
33. **RIGHT OF ENTRY:** UNIVERSITY and Property Management are separate agents of the OWNER. The LESSEE understands that the OWNER or its agents may enter the apartment in the following cases: (a) in case of an emergency; (b) to make necessary, requested, or agreed upon repairs, alterations, or improvements, supply necessary, requested, or agreed upon services, or exhibit the apartment to prospective or actual workers, or contractors; (c) when the LESSEE has abandoned or surrendered the apartment; (d) pursuant to court order; (e) or with the consent of the LESSEE or other leased occupant. Except as defined in (a), (c), and (e) of this section, entry may be made only after giving twenty-four (24) hours written notice of the intent to enter the apartment to the LESSEE. Such entry will be made at reasonable hours. LESSEE agrees that Permission to Enter the apartment is granted when submitting an online service request and 24-hour notice will not be given; however, service requests will be performed during weekday work hours unless deemed an emergency (water, fire, smoke, personal safety).
34. **CONSTRUCTION AND RENOVATION:** Construction and/or remodeling or repair of academic and residential buildings on the Davis campus in the vicinity of the premises is scheduled for the current academic year. The LESSEE assumes full responsibility for the actions of all guests, including their compliance with the terms of the lease .

The LESSEE understands and agrees that the terms and conditions herein set forth constitute a contract between the OWNER and the LESSEE. The LESSEE has read, understands and agrees to be bound by all the terms, conditions, and regulations contained in this lease.
38. **LIABILITY:** The LESSEE will indemnify the OWNER and UNIVERSITY against all liability and hold the UNIVERSITY harmless from all claims, demands, loss or damage arising during their occupancy of the apartment, other than normal wear and tear and save and except such liability claims, demands, loss or damage as may be caused by the negligence of the OWNER or UNIVERSITY, its officers, agents, or employees, or by an act of God or other casualty beyond the control of the LESSEE. Residents are required to obtain renters' insurance for coverage of liability and personal property such as clothing, books, furnishings, bicycles, stereos, computers, etc., which are stolen or damaged. 42. **NONWAIVER:** It is agreed that any waiver or non-enforcement by the UNIVERSITY of any term or condition of this lease shall not constitute a waiver of any subsequent breach of the same or any other term or condition of this lease. Acceptance by the UNIVERSITY of any rental payment shall not be deemed a waiver of any provision or breach other than the LESSEE's failure to make timely payment of the rental installment so accepted.
43. **ABANDONMENT, TERMINATION AND REMEDY IN DAMAGES:** If the LESSEE breaches this lease and abandons the apartment without giving proper notice, the OWNER has the right to terminate this lease. Upon such termination, the OWNER may recover such damages as may be provided by law. The OWNER may reenter and take possession of the apartment if it determines that the apartment has been abandoned.
44. **VACATING PROCEDURE:** The vacate date is recognized as the lease-end date, or the date the LESSEE returns the keys to the Apartment, whichever is later. The Deposit will be returned to the LESSEE within 21 days after the vacate date, minus any amount to offset defaults in the payment of rent and/or deductions for cleaning and damage in excess of reasonable wear and tear. The UNIVERSITY reserves the right to withhold any refund due to the LESSEE to recover outstanding Housing debts incurred by the LESSEE, and to release any Student Housing and Dining Services credit balance to cover other outstanding housing charges.
