To Our Incoming Students

As the campus continues to plan for Fall quarter reopening, students who have signed an On-campus Housing Agreement or are on a housing waitlist are being contacted regarding the possibility of moving on campus.

Please be sure to share this, and any future information, with your family member or guardian to keep them informed.

For questions or concerns about contracts, please contact Reachingtheresidents@ucdavis.edu or visit our website at ucdavis.edu/coronavirus.

We hope this Aggie Reader, which outlines planned modifications to our standard operation in order to establish the best practices for maintaining our healthy community, will serve as a great resource for finding out what is happening on campus and in the surrounding community.
