

**ORCHARD PARK
Executive Project Advisory Committee****E-Update | November 2020
(in place of the monthly mtg)**

Hi Orchard Park EPAC members,

There isn't much to report that I can't share via email. So, I am providing the following information in lieu of this Wednesday's meeting.

- Regents – Approval for the Business Terms and Financing is still scheduled for January's Regents Meeting.
- CCCPD – We are providing an update to the Chancellor's Committee on Campus Planning and Design on 11/20
- Construction Drawings and Bidding – The development team is finalizing the Construction Drawings, and will provide preliminary costs in the next couple of weeks
- Financial Markets – The bond underwriters are providing preliminary loan data in the next couple of weeks
- GSA Update on 11/4
 - Mike and Mark provided the latest information to the General Assembly
 - There was general support for the project
 - Several were interested in the rental rates, but we don't have the information to share at this time
 - We will return to the GSA in the early spring with another update
- Use of Primero Grove for Family Housing – May be reduced slightly next year in order to provide COVID isolation and quarantine space

Please let me know if you have any questions or comments.
