This survey will close on Friday, November 5, 2021 at 5pm. With all of the candy, scary decorations, frightful stories, and all those tricks and treats, Halloween is indeed a festive and highly anticipated holiday for many. However, it is also a time to seriously examine how and why the holiday elicits such pervasive misappropriation of histories and traditions into culturally insensitive costumes. During this time, and in the future, please be mindful of what your costumes and other non-verbals say about you, and how they

WHAT IS CULTURAL APPROPRIATION? -Cultural appropriation involves taking an aspect of another community's culture: art, clothing designs, language, symbols, etc., without recognizing the historical context in which it came from. -Cultural appropriation might also involve stereotyping a community or identity in a way that harmfully impacts that community. **UCDAVIS** TIPS TO AVOID APPROPRIATION: • RECOGNIZE HISTORY: Wearing costumes that have cultural value to marginalized communities ignores and invalidates their histories and the power dynamics at play. • FIGHT STEREOTYPES: Stereotyping a community can perpetuate harmful stigmas and notions that result in discrimination towards members of those communities. • KNOW WHO PROFITS: Many companies profit off of people's cultures while authentic products made by actual members of those communities go ignored and not supported.
